## 3. Applicable Laws and Rules

- 3.1 All Transactions will be effected in accordance with all laws, rules, regulatory directives, bye-laws, customs and usages applying to TCML. This includes the rules, codes and guidance of the Exchange, HKSCC and SFC from time to time. All actions taken by TCML in accordance with such laws, rules, regulatory directives, bye-laws, customs and usages will be binding on the Client. The Client also agrees that irrespective of his country of domicile (or if the Client is a company, its place of incorporation), any dispute with TCML may at TCML's discretion be referred to the SFC, and not other securities regulators in any jurisdictions.
- 3.2 This Agreement is governed by, and may be enforced in accordance with, the laws of Hong Kong.
- 3.3 If the Client is an individual domiciled or a company incorporated outside Hong Kong, the Client shall, immediately upon demand by TCML, appoint a person or an agent in Hong Kong to be his or its process agent to receive all notices and communications relating to any legal proceedings involving the Client, and the Client agrees that any service of any legal process on the process agent shall constitute sufficient service on the Client for purpose of legal proceedings in the Hong Kong courts.
- 3.4 No provision of this Agreement shall operate to remove, exclude or restrict any of the Client's rights or obligations of TCML under the laws of Hong Kong.

## 4. Instructions and Transactions

- 4.1 TCML will act as the Client's agent in effecting Transactions unless TCML indicates (in the combined daily statement which includes the contract notes and receipts for the relevant Transaction or otherwise) that TCML is acting as principal.
- 4.2 The Client agrees that TCML shall not be accountable to the Client for any commissions, remuneration, rebates or other benefits which TCML may receive from or offer to any person in respect of any Transaction or business conducted with the Client or on the Client's behalf.
- 4.3 The Client agrees that TCML (including TCML's directors, officers, licensed representatives and employees) does not provide tax, legal or investment advice nor does TCML give advice or offer any opinion or recommendation with respect to the suitability of any Securities or Transactions. The Client agrees that the Client, independently and without reliance on TCML, makes his own decisions and judgments with respect to his Instructions. Should the Client need investment advice from TCML, a separate agreement has to be made between the Client and TCML.
- 4.4 The Client or the Client's Authorized Person(s) may give Instructions to TCML (which TCML may in its absolute discretion reject) to effect Transactions or other transactions for the Client. TCML may act on such Instructions given orally, in writing or electronically which purport, and which TCML reasonably believes to come from the Client or the Client's Authorized Person(s) or to have been given on behalf of the Client. TCML will not be under any duty to verify the capacity of the person(s) giving those Instructions.
- 4.5 Unless otherwise inform TCML in writing, the Client confirms that the Client is the beneficial owner of the Securities under his Account free from any lien, charge, equity or encumbrance save as created by or under this Agreement and is ultimately responsible for originating the Instruction in relation to all Transactions. If, in relation to any particular Transaction in the Client's Account, the Client is not the person or entity (legal or otherwise) ultimately responsible for originating the Instruction or the person or entity (legal or otherwise) that stands to gain its commercial or economic benefit and/or bear its commercial or economic risk, the Client undertakes and agrees to provide information on the identity, address and contact and other details of such person or entity to TCML before giving the Instruction to TCML. The Client also undertakes and agrees to provide such information to TCML, or direct to the relevant exchange, government agencies or regulators within two (2) Business Days of TCML'S written request and such undertaking and agreement will survive any termination of this Agreement.
- 4.6 The Client confirms that until such time as TCML receives written notice from the Client to the contrary in respect of one or more specific Transactions, the Client will not give TCML any Instruction to sell securities which is a short selling order (as defined in section 1 of Part 1 of Schedule 1 to the SFO) to be executed at or through the Exchange.
- 4.7 Without prejudice to Clause 4.6 above, in respect of each short selling order to be transacted at or through the Exchange upon the Client's Instruction, the Client understands the relevant provisions of sections 170 and 171 of the SFO and its related subsidiary legislation and agrees to ensure compliance with the same by the Client and

# Target Capital Management Limited

any other relevant persons.

- 4.8 On all Transactions, the Client will pay TCML's commissions and charges, as notified to the Client, as well as applicable fees and levies imposed by the Exchange and/or the SFC, and all applicable stamp duties. TCML may deduct such commissions, charges, levies, fees and duties from the Account. The Client acknowledges and agrees that the commission rates and fees are determined and set solely by TCML, the Exchange, the SFC and other government agencies, and are subject to change at any time.
- 4.9 TCML may determine the priority in the execution of the Client's Instructions having due regard to market practice, applicable regulations and fairness to all Clients.
- 4.10 TCML may, without prior notice to the Client, combine for execution the Client's Instructions with the Instructions of other Clients. This may result in a more favorable or less favorable price being obtained for the Client than executing the Client's Instructions separately. Where there are insufficient Securities to satisfy the Instructions so combined, the Transactions will be allocated between Clients with due regard to market practice and fairness to Clients.
- 4.11 TCML will not be liable for any delay or failure in the transmission of Instructions due to breakdown or collapse of communication facilities or for any other delay or failure beyond the control of TCML.
- 4.12 By reason of physical restraints and rapid changes of Securities prices, TCML may not always be able to execute the Client's Instructions in full or at the prices quoted at any specific time or "at best" or "at market" and the Client agrees to be bound by such executions.
- 4.13 All Instructions in respect of the Transactions given by the Client are good for the day on which they were given. They will be automatically cancelled if not executed by the close of trading on the Exchange or such other expiration date required by the Exchange. TCML may execute these Instructions at any time prior to their automatic cancellation or receipt of cancellation Instructions, and the Client accepts full responsibility for the Transactions so executed.
- 4.14 The Client may request to cancel or amend their Instructions in respect of the Transactions but TCML may at its discretion (such discretion not to be exercised in an unreasonable manner) refuse to accept any such request. These Instructions may be cancelled or amended only before execution. Cancellation of market Instructions is rarely possible as they are subject to immediate execution. In the case of full or partial execution of the Client's Instructions before cancellation, the Client accepts full responsibility for the executed Transactions and TCML shall incur no liability in connection therewith.
- 4.15 The Client understands and agrees that TCML may use a telephone record system to record conversations and Instructions with the Client and the Client's Authorized Persons. The Client acknowledges and warrants that each Authorized Person also consents to such recording.
- 4.16 The Client may request TCML to subscribe for Securities offerings on the Client's behalf. TCML may be required to provide warranty or make representation in respect of such application, including but not limited to the following:
- (a) that TCML has due authority to make such application on the Client's behalf;
  - (b) that no other application is being made for the Client's benefit whether by the Client himself or by any other person other than the application submitted on the Client's behalf.
- The Client hereby expressly authorizes TCML to provide such warranty and representation to the Exchange or issuer of the relevant Securities. The Client acknowledges that the aforesaid declaration will be relied upon by the issuer of the relevant Securities in deciding whether or not to make any allotment of Securities in response to the application made by TCML as the Client's agent.
- 4.17 At the Client's request, TCML may provide financial accommodation to facilitate the subscription of Securities offerings, and, where applicable, for the continued holding of those Securities under a separate agreement to be made between the Client and TCML.
- 4.18 The Client understands that TCML generally does not accept stop-loss orders. If such orders are accepted, TCML does not guarantee the execution of such orders.
- 4.19 The Client agrees that TCML may, in its discretion and without giving the Client prior notice, prohibit or restrict the Client's ability to trade Securities through the Account. The Client agrees that TCML is not liable for any losses and/or damages, actual or hypothetical, as a result of such restrictions.
- 4.20 The Client's signature(s) and/or Company Chop appearing in this Agreement shall be filed as specimen signature(s) and/or Company Chop on TCML records for the purpose of the Account and all matters relating to it. When signing orders, instructions and any other documentation, the Client shall use the same signature and/or

# Target Capital Management Limited

Company Chop as the Client's specimen signature(s) and/or Company Chop on TCML records. The Client must notify TCML of any change to the specimen in writing or by such other method as we may from time to time permit.

## 5. Settlement

- 5.1 Unless otherwise agreed, in respect of each Transaction, unless TCML is already holding sufficient cash or Securities on the Client's behalf to settle the Transaction, the Client will:
- (a) pay TCML cleared funds or deliver Securities to TCML in deliverable form; or
  - (b) otherwise ensure that TCML has received such funds or Securities by such time as TCML has notified the Client in relation to that Transaction. If the Client fails to do so, TCML may on behalf of the Client:
    - (i) in the case of a purchase Transaction, sell the purchased Securities; and
    - (ii) in the case of a sale Transaction, borrow and/or purchase Securities in order to settle the Transaction.
- 5.2 The Client will indemnify TCML against any losses, costs, fees and expenses resulting from the Client's settlement failures.
- 5.3 The Client agrees to pay a penalty charge for each settlement failure at such rates and on such other terms as TCML has stipulated at its discretion and notified the Client from time to time.
- 5.4 The Client agrees to pay interest on all overdue balances (including interest arising after a judgment debt is obtained against the Client) at such rates and on such other terms as TCML has stipulated at its discretion and notified the Client from time to time. The Client agrees to pay for the costs and expenses of collection of the overdue balances and any unpaid deficiency in the Account(s), including without limited to attorney's fees, court costs and any other costs incurred or paid by TCML.
- 5.5 The Client acknowledges that delivery of any Securities that TCML may have purchased on behalf of the Client from the selling party is not guaranteed. In the case that TCML has confirmed with the Client that the relevant purchase Transaction was completed but the selling party or its broker fails to deliver on the settlement date and TCML has to purchase the Securities to settle the Transaction, the Client will not be responsible to TCML for the costs of such purchase.

## 6. Safekeeping of Securities

- 6.1 Any Securities which are held by TCML for safekeeping may, at TCML's discretion:
- (a) (in the case of registrable Securities) be registered in the Client's name or in the name of TCML's nominee; or
  - (b) be deposited, at the Client's costs, in safe custody in a designated account with TCML's bankers or with any other institution which provides facilities for the safe custody of documents. In the case of Securities in Hong Kong, such institution shall be approved by the SFC as a provider of safe custody services.
- 6.2 Where Securities are not registered in the Client's name, any dividends or other benefits arising in respect of such Securities shall, when received by TCML, be credited to the Client's Account or paid or transferred to the Client after deduction of the relevant charges, as agreed with TCML. Where the Securities form part of a larger holding of identical Securities held for the Clients, the Client will be entitled to the same share of the benefits arising on the holding as the Client's share of the total holding.
- 6.3 The Client agrees to pay service charges upon the Account at such rates and on such other terms as TCML has stipulated at its discretion and notified the Client from time to time in respect of the safe custody services.
- 6.4 Save for the Margin Client, TCML as a broker who does not have the Client's written authority pursuant to section 7(2) of the Securities and Futures (Client Securities) Rules shall not:

  - (b) borrow or lend any of the Client's Securities; and
  - (c) otherwise part with possession (except to the Client or on the Client's Instructions) of any of the Client's Securities for any purpose.

## 15. General Provisions

- 15.1 All currency exchange risks in respect of any Transactions, settlement actions or steps taken by TCML under this Agreement shall be borne by the Client.
- 15.2 If TCML commits a default as defined in the SFO and the Client thereby suffers a pecuniary loss, the Client shall have a right to claim under the Compensation Fund established under the SFO, subject to the terms of the Compensation Fund from time to time.
- 15.3 Each of TCML and the Client undertakes to notify the other in the event of any material change to the information (as specified in paragraphs 6.2(a), (b), (d), (e) and (f) of the Code of Conduct) provided in this Agreement.
- 15.4 The terms and conditions of this Agreement shall survive any changes or succession in the Client's business, including the Client's bankruptcy or death and will be binding on the Client's successor(s), personal representative(s) or permitted assign(s).

- 15.5 Time shall be of essence in relation to all matters arising from or relating to this Agreement.
- 15.6 Waiver of any right under this Agreement must be in writing signed by the party waiving such right. The rights, powers, remedies and privileges in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law. Any failure or delay in exercising all or part of any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver to preclude any subsequent exercise of that right, power or privilege.
- 15.7 Each of the provisions in this Agreement is several and distinct from the others and if any one or more of such provisions is or becomes invalid or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
- 15.8 TCML shall have the right to assign, transfer or otherwise dispose of all or any of its rights, interests or obligations in or under this Agreement to its Affiliates as it thinks fit and without having to notify the Client or obtain the Client's consent. The Client shall not assign, transfer or dispose of the Client's rights, interests or obligations in or under this Agreement to any third party without the prior written consent of TCML.
- 15.9 If TCML solicits the sale or recommend any financial product to the Client, the financial product must be reasonably suitable for the Client having regard to the Client's financial situation, investment experience and investment objectives. No other provision of this Agreement or any other document TCML may ask the Client to sign and no statement TCML may ask the Client to make derogates from this clause. For the avoidance of doubt, the aforesaid "financial products" means any securities, futures, contract or leveraged foreign exchange contracts as defined under the SFO. Regarding "leveraged foreign exchange contracts", it is currently NOT applicable to TCML and it is only applicable to those traded by persons licensed for Type 3 regulated activity.
- 15.10 No clause, provision, term or statement is included in this Agreement (or any other document signed or statement made by the Client at the request of TCML) which misdescribes the actual services to be provided to the Client.
- 15.11 TCML should not incorporate any clause, provision or term in this Agreement or in any other document signed or statement made by the Client at the request of TCML which is inconsistent with its obligation under the Code of Conduct.
- 16. Risk Disclosure Statements**
- 16.1 The Client acknowledges that the relevant risk disclosure statements specified in Part 3A hereof form part of this Agreement. If the Client is allowed to use Electronic Trading Services provided by TCML, the Client shall further acknowledge the relevant risk disclosure statements set out in Part 3C hereof.
- 17. Representation, Warranties and Undertakings**
- 17.1 The Client represents that he is of required legal age and mentally fit to enter into this Agreement. If the Client is a corporate client, it has obtained all necessary consents from shareholders and directors and has taken all necessary actions to enable the Client to enter into this Agreement and perform its obligations under this Agreement.
- 17.2 Save as disclosed in the Account Opening Form, the Client represents and warrants to TCML that the Client is not associated with any directors, employees or licensed representatives of TCML or its associated companies and agrees that if the Client is or becomes associated with any of such directors, employees or licensed representatives, the Client shall promptly notify TCML of the existence and nature of such association and acknowledge that TCML may, upon receipt of such notice, at TCML's discretion, choose to terminate the Account. If the Client is a corporate client, the expression "Client" in this Clause 17.2 and Clause 17.3 below shall include any of the Client's directors, shareholders or Authorized Persons.
- 17.3 The Client represents that, unless the Client has previously disclosed in writing to TCML, the Client is not a director or employee of any exchange, clearing house or any licensed or registered person under the SFO.
- 17.4 This Agreement and its performance and the obligations contained in this Agreement do not and will not contravene any applicable law and regulations, any provisions of the Client's memorandum and articles of association or by-laws (where applicable), or constitute a breach of default under any agreement or arrangement by which the Client is so bound.
- 17.5 The Client will not charge, pledge or allow to subsist any charge or pledge over the Client's Securities or monies in the Account or grant or purport to grant an option over any Securities or monies in the Account without the prior

# Target Capital Management Limited

written consent of TCML.

- 17.6 All representations and warranties appeared in this Agreement shall be deemed to be repeated immediately before each Transaction or dealing is carried out for or any service is provided to the Client or on the Client's behalf.

## **18. Standing Authority**

- 18.1 The Client hereby expressly confirms and authorizes the standing authority granted by the Client to the Company under Clause 9 of this Standard Terms and Conditions (at Part 2A of the Client Agreement hereof) to pay out money of the Client to Target Capital Management Limited including but not limited to the standing authority to the Company to pay to a segregated account under the Securities and Futures (Client Money) Rules the money to meet the Client's obligations to meet settlement or margin requirements in respect of dealing in securities or futures contract carried out by the Company on behalf of the Client, or to meet payments due by the Client to Target Capital Management Limited incurred in the course of carrying out the regulated activity under the Client Money Rules, which has been expressly incorporated into this Client Agreement.
- 18.2 Each of the Client Money Standing Authority, Client Securities Standing Authority or any other standing authorities shall be valid for a term of 12 months from the effective date of this Client Agreement subject to renewal by the Client or deemed renewal under the Client Money Rules or Client Securities Rules or any other statutory provisions (as the case may be) referred to in Clause 18.4.
- 18.3 Each of the Client Money Standing Authority, the Client Securities Standing Authority or any other standing authorities may be revoked by giving to the Company written notice addressed to the Customer Service Department at the Company's address specified in the Account Opening Form or such other address which the Company may notify the Client in writing for this purpose. Such notice shall take effect upon the expiry of 14 days from the date of the Company's actual receipt of such notice.
- 18.4 The Client understands that each of the Client Money Standing Authority, the Client Securities Standing Authority or any other standing authorities shall be deemed to be renewed on a continuing basis without the Client's written consent if the Company issues to the Client a written notice of renewal at least 14 days prior to the expiry date of the relevant authority, and the Client does not object to such deemed renewal before such expiry date.

## **Part 2B – Additional Terms and Conditions for Margin Clients**

1. In addition to Part 2A of this Agreement, this Part 2B sets out the terms and conditions to which the Client shall be further subject upon the Client opening a margin Account with TCML in relation to Transactions carried out in connection therewith and the Client shall in this Part 2B be referred to as Margin Client.

Such written consent shall be in the form appearing in the "Authorisation Letter from Margin Clients".

1. In addition to Part 2A of this Agreement, this Part 2C sets out the terms and conditions to which the Client shall be further subject upon the Client opening a Internet Trading Account with TCML in relation to Transactions carried out in connection therewith and the Client shall in this Part 2C be referred to as Internet Trading Client.

# Target Capital Management Limited

transmission of document includes but does not limit to sending the contract note, trading confirmation, statement of the Account and other documents in electronic form through any electronic means) to the Internet Trading Client.

3. The Internet Trading Client accepts the risk of receiving or gaining access to services through and communication and conducting Transactions over the internet or other electronic means or facilities.
4. In the event of inconsistencies between the terms of this Agreement and the information, the terms of this Agreement shall prevail.
5. The Internet Trading Client shall not and shall not attempt to tamper with, modify, de-compile, reverse engineer or otherwise alter in any way, or gain unauthorized access to, the Electronic Trading Services.
6. The Internet Trading Client shall be the only authorized user of the Electronic Trading Services, and acknowledges that the services may require the Internet Trading Client to use various identification and access codes, including a password, account identification number and other user identification to access the service and the Account and that the Internet Trading Client shall be responsible for the confidentiality and proper use at all time of the Internet Trading Client's password, account identification number, user identification and account number for all Transactions initiated through the Electronic Trading Services.
7. The Internet Trading Client agrees to notify TCML immediately of the Internet Trading Client's becoming aware of any loss, theft or unauthorized use of the Internet Trading Client's password, account identification number, user identification, Account or account number, or any unauthorized use of the Electronic Trading Services or any information or data provided.
8. The Internet Trading Client acknowledges that any information and data (including news and real time quotes) provided through the Electronic Trading Services relating to Securities and securities markets are obtained from any securities exchanges and markets and from other third party service providers appointed by TCML from time to time. The Internet Trading Client further undertakes to indemnify TCML in full for any loss or damage TCML may suffer as a result of the use of the Electronic Trading Services, save for damages caused by willful default on TCML's part.

## **Part 3A – Risk Disclosure Statements for all Clients**

The Client should be aware of the following potential risks in connection with securities trading.

### **Risk of securities trading**

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

### **Risk of trading Growth Enterprise Market stocks**

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid. The Client should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors. Current information on GEM stocks may only be found on the internet website operated by the Exchange. GEM Companies are usually not required to issue paid announcements in gazetted newspapers. The Client should seek independent professional advice if the Client is uncertain of or have not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

### **Risks of client assets received or held outside Hong Kong**

Client assets received or held by TCML outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap.571) and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.

### **Risk of providing an authority to hold mail or to direct mail to third parties**

If the Client provides TCML with an authority to hold mail or to direct mail to third parties, it is important for the Client to promptly collect in person all contract notes and statements of the Client's account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

### **Risk of trading NASDAQ-AMEX securities at the Exchange**

The securities under the Nasdaq-Amex Pilot Program ("PP") are aimed at sophisticated investors. The Client should consult TCML and become familiarized with the PP before trading in the PP securities. The Client should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the GEM of the Exchange.

### **Risk of trading of foreign securities, including B shares listed in the People's Republic of China**

You should only undertake trading of foreign securities if you understand the nature of foreign securities trading and the extent of your exposure to risks. In particular, foreign securities trading is not regulated by the SEHK and will not be covered by the Investor Compensation Fund despite the fact that Target Capital Management Limited is an exchange participant of the SEHK. You should carefully consider whether such trading is appropriate for you in light of your experience, risk profile and other relevant circumstances and seek independent professional advice if you are in doubt.

### **Risk of trading US exchange-listed or over-the-counter(OTC) securities or derivatives**

You should understand the US rules applicable to trades in security or security-like instrument in markets governed by US law before undertaking any such trading. US law could apply to trading in US markets irrespective of the law applicable in your home jurisdiction. Many (but by no means all) stocks, bonds and options are listed and traded on US stock exchanges. NASDAQ, which used to be an OTC market among dealers, has now also become a US exchange. For exchange-listed stocks, bonds and options, each exchange promulgates rules that supplement the rules of the US Securities & Exchange Commission ("SEC") for the protection of individuals and institutions trading in the securities listed on the exchange. OTC trading among dealers can continue in exchange-listed instruments and in instruments that are not exchange-listed at all. For securities that are not listed on any exchange, trading can continue through the OTC bulletin board or through the inter-dealer "pink sheets" that carry representative (not actual) dealer quotes. These facilities are outside of NASDAQ. Options on securities are subject to SEC rules and the rules of any securities exchange on which the options are listed. Options on futures contracts on commodities like wheat or gold are governed by rules of the US Commodity Futures

# Target Capital Management Limited

Trading Commission ("CFTC"). There are also commercial options, like options on real estate, that are governed neither by SEC nor CFTC rules. Whether you are intending to trade in US exchange-listed securities, OTC securities or derivatives, you should understand the particular rules that govern the market in which you are intending trade. An investment in any of these instruments tends to increase the risk and the nature of markets in derivatives tends to increase the risk even further. Market makers of OTC bulletin board are unable to use electronic means to interact with other dealers to execute trades. They must manually interact with the market, i.e. use standard phone lines to communicate with other dealers to execute trades. This may cause delays in the time it takes to interact with the market place. This, if coupled with increase in trade volume, may lead to wide price fluctuation in OTC bulletin board securities as well as lengthy delays in execution time. You should exercise extreme caution when placing market orders and fully understand the risks associated with trading in OTC bulletin board. Market data such as quotes, volume and market size may or may not be as up-to-date as expected with NASDAQ or listed securities. As there may be far fewer market makers participating in OTC securities markets, the liquidity in that security may be significantly less than those in listed markets. As such, you may receive a partial execution or the order may not be executed at all. Additionally, the price received on a market order may be significantly different from the price quoted at the time of order entry. When fewer shares of a given security are being traded, larger spreads between bid and ask prices and volatile swings in price may result. In some cases, the liquidation of a position in an OTC security may not be possible within a reasonable period of time. Issuers of OTC securities have no duty to provide any information to investors, maintain registration with the SEC or provide regular reports to investors.

## **Part 3B – Additional Risk Disclosure Statements for Margin Clients**

In addition to Part 3A, the Margin Client should be aware of the following potential risks in connection with margin trading.

### **Risk of providing an authority to repledge the Client's securities collateral etc.**

There is risk if the Client provides TCML with an authority that allows it to apply the Client's securities or securities collateral pursuant to a securities borrowing and lending agreement, repledge the Client's securities collateral for financial accommodation or deposit the Client's securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities.

If the Client's securities or securities collateral are received or held by TCML in Hong Kong, the above arrangement is allowed only if the Client consents in writing. Moreover, unless the Client is a professional investor, the Client's authority must specify the period for which it is current and be limited to not more than twelve (12) months. If the Client is a professional investor, these restrictions do not apply. Additionally, the Client's authority may be deemed to be renewed (i.e. without the Client's written consent) if TCML issues the Client a reminder at least fourteen (14) days prior to the expiry of the authority, and the Client does not object to such deemed renewal before the expiry date of the Client's then existing authority.

The Client is not required by any law to sign these authorities. However, an authority may be required by TCML, for example, to facilitate margin lending to the Client or to allow the Client's securities or securities collateral to be lent to or deposited as collateral with third parties. TCML should explain to the Client the purposes for which one of these authorities is to be used. If the Client signs one of these authorities and the Client's securities or securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on the Client's securities or securities collateral. Although TCML is responsible to the Client for securities or securities collateral lent or deposited under the Client's authority, a default by it could result in the loss of the Client's securities or securities collateral. A cash account not involving securities borrowing and lending is available from most licensed or registered persons. If the Client does not require margin facilities or does not wish the Client's securities or securities collateral to be lent or pledged, the Client should not sign the above authorities and ask to open this type of cash account.

### **Risk of margin trading**

The risk of loss in financing a transaction by deposit of collateral is significant. The Client may sustain losses in excess of the Client's cash and any other assets deposited as collateral with TCML. Market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. The Client may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, the Client's collateral may be liquidated without the Client's consent. Moreover, the Client will remain liable for any resulting deficit in the Client's account and interest charged on the Client's account. The Client should therefore carefully consider whether such a financing arrangement is suitable in light of the Client's own financial position and investment objectives.

## **Part 3C – Additional Risk Disclosure Statements for Internet Trading Clients**

# Target Capital Management Limited

In addition to Part 3A, the Internet Trading Client should be aware of the following potential risks in connection with the use of Electronic Trading Services.

## **Risk of electronic trading services**

The access, communication and conducting transactions over the internet or other electronic means or facilities involve the use of public networks and represent an attractive target for attacks by intruders. Should intruders infiltrate the electronic trading system of TCML and obtain sensitive data and information or create bugs or virus which sabotages its function, the electronic trading system (including the Client's account) may be damaged. While various steps and procedures (e.g. the use of login password, cryptography, firewall) have been taken and/or implemented by TCML to protect unauthorized access to electronic trading system and the Client's account, there can be no assurance that such steps and procedures can prevent or respond to all forms of attacks in a timely or effective manner. Internet or any other electronic means are, due to unpredictable traffic congestion and other reasons, an inherently unreliable medium of communication and that such unreliability is beyond the control of TCML. As a result of such unreliability, there may be delays in the transmission and receipt of instructions or other information (e.g. canceling or changing the Client's original instructions), delays in execution or execution of the Client's instructions at prices different from those prevailing at the time the Client's instructions were given, transmission interruption or breakdown and/or for some reason TCML may not be able to act on the Client's instructions at all. If the Client subsequently give instructions canceling or changing the Client's original instructions, TCML will not accept them if it has already acted on the Client's original instruction or there is insufficient time to act on the Client's subsequent instruction. The Client should therefore give instructions in good time before the closes of the market. Information and data provided through the electronic trading services relating to securities and the securities markets has been obtained from any securities exchanges and markets and from other third party service providers. Owing to market volatility, possible delay in data transmission process and other reasons, the information and data may not be accurate, complete, timely and in correct sequence. Thus any reliance on such information and data may lead to incorrect investment decisions and/or other actions.
